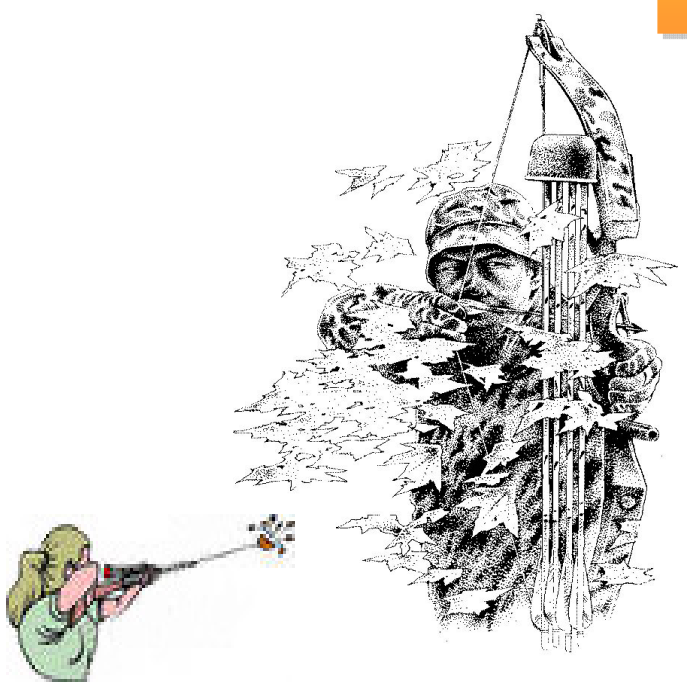
Family Fun Shoot



Safari Club International
SE Wisconsin Bowhunter's Chapter

August 14, 2010
at
Waukesha Gun Club

The Family Fun Shoot is an event designed as an enjoyable day of archery and shotgun shooting events that can be shared by friends and family. It includes sporting clays, trapshooting and an outdoor 3-D archery course. In addition there are a few "fun" type events like the 50 bird flurry, the "Dangerous Game" charging rabbit target and an incoming flying target designed to be shot with bow and arrow.

All shooters are eligible to win prizes from the large "Chinese Raffle" with tickets earned based on your scores. Participants can shoot any or all of the events and re-entries are welcome. See the Family Fun Shoot Entry Form for costs & events.

Food is available throughout the day along with numerous raffles and a silent auction, followed by live music in the evening. Join us for a day of shooting fun and camaraderie, all while helping to support SCI continue to fight for hunters rights!

Fun for the entire family!! Everyone has the chance to win!

SCI
FIRST FOR HUNTERS

The SE WI Bowhunters Chapter of SCI is dedicated to fighting for hunting rights in the state of WI. Through our direct efforts we have been able to stop Earn-A-Buck and helped to draft the Mentored Hunting Bill recently signed by Governor Doyle.

Without your financial support none of this would be possible so please accept our heartfelt "Thank You" for your support!

Special "Thanks" to the

WAUKESHA GUN CLUB

WGC for hosting this event!
