Greetings,

Well folks, what you have all been waiting for is finally here! No, it's not the de-listing of wolves, it's the SCI SE WI Bowhunters **Wild Game Dinner!** We are extremely excited to reveal that we have moved our very popular event to the Golden Mast Inn on Okauchee Lake on **Wednesday February 22nd**. As usual, our focus for this event is a fun relaxing social event with a lot of great gear and guns to win. The food is historically superb and the refreshments will be plentiful. Unfortunately, this event has limited seating so please get your reservations in early. The event menu is printed on the back of this letter.

We have had a number of positive changes in our DNR and hunting regulations recently. These changes are directly due to you and your participation in SCI and similar organizations. We want to use this opportunity to thank you for your support!

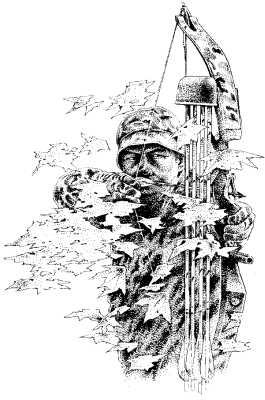

**\*ALSO\* Mark your calendars for \*Friday May 11th\* for the 12th Annual Banquet / Fundraiser.** SCI SE WI Bowhunters strive to put together a special night that (number one) raises the funds to help support, protect and promote the sport of hunting right here in Wisconsin. And (number two) is extremely enjoyable for everyone. PLEASE put these dates aside so you can have the satisfaction of knowing that you truly are making a difference!

The banquet on May 11th will be at the Olympia Resort in Oconomowoc. A larger facility with much more to offer. More details to follow.

SCI SE WI Bowhunters wants you!!! If you have any desire to become involved in our chapter, either as a board member or just to help out at the dinners, please contact me via email ([chris@ccranch.us](mailto:chris@ccranch.us)) or come talk to me or any of our board members, at either dinner. We would love your participation!

Thank you,

Chris Caliendo, President
